SENIOR BANQUET

The Senior Class was treated to a banquet in the school cafeteria. Approximately 250 seniors along with several parents and staff members attended. Mr. Paul Lucas, Mr. Bill Benner, and Mrs. Peg Bolerjack told anecdotes about many of the students during their 4 years at Joliet Central. This proved to be very entertaining.

Various awards were given as a result of the class survey to see who had the cutest smile, prettiest hair, etc. Georginne Aggelopoulos and Rodger Russ were announced as Mr. and Ms. "J". Georgine and Rodger received Steelmen watches from the Blue Banner and Sterling Silver Steelmen charms from the Parents Group.

The evening was a huge success.

SEEDS

Your faces I've seen
so innocent yet aware
Your smiles — jewels like you — rare

I see you as seeds, growing with
definite reason and rhyme
Seeds of various shades and flavors
Modern children — products of your time

Seeds, each soon to be tossed through
out the land
hopefully to grow,
and flower into a successful man
or woman

Of this I cannot be sure
Your destinies I cannot foretell,
but I pray you'll do well

May God bless you.

Up and Away to Heaven

Prom '83

By: Julie B

STAIRWAY TO HEAVEN

There's a lady who's sure all that glitters is gold and she's buying a stairway to heaven.
When she gets there she knows if the stores are all closed with a word she can get what she came for.
Ooh, ooh, and she's buying a stairway to heaven.
There's a sign on the wall but she wants to be sure 'cause you know sometimes words have two meanings.
In a tree by the brook there's a song-bird who sings, sometimes all of our thoughts are misgiven.
Ooh, it makes me wonder, Ooh it makes me wonder.
There's a feeling I get when I look to the west, and my spirit is crying for leaving.
In my thoughts I have seen rings of smoke through the trees, and voices of those who stand looking.
Ooh, it makes me wonder, Ooh, it really makes me wonder.
And it's whispered that soon if we all call the tune then the piper will lead us to reason.
And a new day will dawn for those who stand long and the forests will echo with laughter.
If there's a bustle in your hedge - now don't be alarmed now, it's just a spring clean for the May queen.
Yes there are two paths you can go by but in the long run there's still time to change the road you're on.
And it makes me wonder.
Your head is humming and it won't go in case you don't know, the piper's calling you to join him.
Dear lady, can you hear the wind blow, and did you know your stairway lies on the whispering wind.
And as we wind on down the road our shadows taller than our soul.
There walks a lady we all know who shines white light and wants to show how everything still turns to gold.
And if you listen very hard the tune will come to you at last.
When all are one and one is all to be a rock and not to roll.
And she's buying a stairway to heaven.

POEM

TO THE SENIORS

On winged feet the four years pass
And now we honor our Senior class.
Beyond these walls, this town, this state
A whole new world now lies in wait.
You've much to learn, we're often told
Wisdom to gain before you're old
But tonight-before you turn and go
Your separate ways, as well we know,
Enjoy this place, these hours, this school
In memory they'll return to you.

TRADITIONAL IVY DAY

"Survival of a Landmark"
(Poem by class poet, Becky Jovanovich)

Just a building, made of stone,
standing there, so all alone.
Throughout the years it took abuse,
throughout the years, put its best to use;
Admired and owed for its beauty,
criticized and downgraded, after serving its duty;
Standing majestic and tall,
in spite of it all.

Students coming and students going,
some sentiment, joy and memories showing;
Many frightened by its many halls,
many grateful for its mighty walls;
Lawyers, doctors, tradesmen it has sent,
athletes and entertainers from here they went;
Housewives and careerwomen it has spun,
our citizens of tomorrow from here they've come.

Lessons were taught and lessons were learned,
many were tough, but all well earned;
Some in grammar and some in math,
all would lead us in the right path;
The most important one of all,
was knowing that you, no matter how small;
Had a place in this castle of education,
without any need of supplication.

Now, leaving behind four years well spent,
always remembering where we went;
Knowing that here, we were all equal,
preparing us for our next sequel;
Always to remember when,
we were called the might Steelmen!
Stand tall, Steelmen, for students to come,
teach them all, one by one;

We leave you now, our dear J.T.C.,
you've survived another year, the Class of '83.

MAY 28, 1983

"Class of '83" gave Mrs. Conroy a bracelet for a class gift.

GROWTH AND AND ACCOMPLISHMENTS

In a little over 24 hours, we will be leaving Joliet Central High School, our sanctuary, source of learning, and playground for the past four years. This building, this historical monument, this home away from home, has given us silent, unceasing friendship, and has watched us grow into true Steelmen. Now, she must let us go, out to make our way in the world.

It would not be right if we left her without a backward glance, so let's go back four years to our freshmen days . . .

Not too long ago, as beginning freshmen, we started our trek down these long halls a little apprehensive at the thought of "high school." It was the beginning of a new life with new challenges, and new friends. We changed a lot during that year. We put away comic books and picked up textbooks. We started to develop our minds and bodies. We hesitantly joined clubs and sports, and realized that we belonged. We were becoming Steelmen.

As we traveled even further in our sophomore year, we increased our academic skills and activities. We advanced in athletics. We no longer had to refer to our handbooks to get around. We were at home in our new home.

Our steps did not falter as our journey continued. Junior year strengthened the bond we had with our school. We never missed a football or basketball game. We attended all the dances and put on the prom. The Class of '83 had never been so busy or so happy.

With the end in sight, senior year thrust in its head like a double-edge sword. On one edge we were "seniors", the leaders of the school, the deciding vote, the center of attention, and our opponents' most feared adversary.

On the other edge, we had to realize just how soon our reign would end. Major decisions had to be made. Loose ends had to be taken care of; Good-byes had to be said. Our lives would never be the same.

We have reached the end of the hallway. A different world is just beyond the door. The question of where we will be a year from now is a scary one. But we have no need to fear the future because we know that although success is our ultimate goal, it isn't the only thing that will matter. It would be great to discover other worlds or run a 2-minute mile, but what truly matters is that if we stumble along the way, there will be 434 classmates ready to pick us up, brush us off, and help us start over. With this kind of support, there is no reason why we cannot conquer these tasks and many more.

We are proud to call ourselves the Steelmen Class of '83. We have been the defenders of our school and have succeeded once again, with the help of our school board. We have become not only strong but intelligent with the assistance of teachers who have cared for us as people not just faces. We have been guided by the fairness and the iron hand of Dean MacLaughlin and the friendship and kindness of Mrs. Conroy. We have been lead by Mrs. Franklin and Mr. Shaw and directed by our counselors. We have had the love and support of our parents and have been very lucky to be molded by these kinds of people.

Now, our reign is coming to an end and we must prepare to leave. Our time away from our four-year home will be long, but our hearts will never forget the lady who has taught us that we are all her children, regardless of race, color, or creed, shown us friendship and support, and now gives us her trust. The trust that we will succeed, fight for what is right, and always be ready to "catch" any of our fellow Steelmen.

Now I would like to take this time to wish each and every one of you, all the happiness you can stand and tell you that you are the best high school class I have ever had the honor to graduate with. Good-Luck!

CENTRAL STUDENTS EXCELL

CONTEST PLAY WINS SECTIONAL-AGAIN

By Vince Mulvihill

"The Subject Was Roses", this year's contest play, placed first in the Sectional Meet. This marks the fifth year that Joliet Central has won.

The show, directed by Mr. Michael Zigrossi, drama teacher, and Kathy Martin, student director, is set in New York after World War I. Timmy Cleary (Tom Coleman) had just returned from fighting overseas.

Timmy and his father (David Gustafson) get along famously, at least for the first few days. But tense relationships in the family, dating from Timmy's childhood, begin to cause unavoidable friction.

The problems include Mr. Cleary's alleged infidelities with his wife, Nettie (Tammy Tibbets), Timmy's disregard for the family religion, Mr. Cleary's paranoia about the other two conspiring against him, and Nettie's concern over her husband's drinking.

At the Sectional Meet on March 12, the entire cast from Central were named to the All-Sectional Cast. The judges rarely had a negative remark in the critiques.

In the Regional contest, held the next week, Joliet Central placed sixth. Central's Dave Gustafson was selected to the All-Regional Cast for his outstanding performance.

Other students from Joliet Central who were involved were Jennifer Belfield (lighting), Jan Edmon, Mike Shearer and Vince Mulvihill.

JILL WATTS TAKES FIFTH IN STATE IN TYPING

Jill Watts won fifth place in typing II at the State Level in Office Education.

Jill was the only student from any of the three Joliet Township High Schools to qualify for the state competition.

1983 COLLEGE CONFERENCE HELD

By Mike Shearer

On March 16, Joliet Central held its first College Conference.

Juniors from all three Joliet Township High Schools attended the conference to speak directly to representatives of over one hundred participating colleges and universities.

The primary purpose of the conference was to allow students to become familiar with the various colleges and their policies. Students received important information concerning admission regulations which would aid them in making a final decision regarding college choices. Information concerning financial aid was also made available to the students.

Opinions regarding the conference varied, but the general feeling was that it was highly successful and beneficial for all.

In spite of the recent poor weather, Central's spring sports teams are in full swing. For more pictures, see the Sports Page.

FR.CLEMENTS SPEAKS TO CENTRAL STUDENTS

By Mike Shearer

Joliet Central's observance of Black History Month was held during the week of February 14-18 and was highlighted by an all-school assembly on Thursday, February 17.

Central's guest speaker for the event was Fr. George Clements,pastor of Holy Angels Church in Chicago.

Fr. Clements was introduced to the student body by Dr. Marvin C. Edwards, Superintendent of District 204.

In his introduction, Dr. Edwards listed the many achievements of Fr. Clements.

He told the audience that Fr. Clements was the son of a stockyard worker, that he was the first Black graduate of his seminary and that he had bypassed a promising medical career to enter the priesthood.

Fr. Clements became the pastor of Holy Angels Church and founder of one of the most successful schools, Holy Angels School.

Dr. Edwards went on to indicate that Fr. Clements was one of the founders of the Black Catholic Clergy and was the recepient of the Pope John XIII award for being named Priest-of-the-Year.

Fr. Clements is probably best known for his successful adoption of a son. This adoption received nationwide media attention.

Fr. Clements began his speech by referring to Time Magazine's yearly award, the "Man-of-the-Year". He opened by explaining that he, like many others, looked forward to the yearly selection by Time, but was appalled to find that the choice was not a man (or a woman) but was the computer.

He continued by saying that, later, he realized that the magazine's selection was just that the computer had actually had a greater influence over human society than had a person.

Driving his point home, Fr. Clements pointed out that those with no intention of obtaining a working knowledge of the computer would become functional illiterates by 1990.

He captured the audience's attention again by pointing out the seldom-used word, "lacuna", or empty space, might refer to some of us.

He defined the human version of a lacuna as a person without enough to mature and advance in life. He would rather be like the others around him in the same position.

To illustrate his point, Fr. Clements mentioned the famous Black Abolitionist, Frederick Douglass, who had true courage and managed to improve himself in life. The slave learned to read and broke his bonds of slavery and eventually led the movement toward abolishing slavery in the United States.

"The key to slavery," Fr. Clements said, "is ignorance, but knowledge is power."

He said that slavery still exists today in the form of stupidity, ignorance and obsession which today's population does not find necessary to be free of.

Our Principal SPEAKS

Jeannette P. Franklin

March 3, 1983

Congradulations to the Math, Physics, and Chemistry Teams!! They have done a beautiful job against some strong competitive teams coming in 1st, 2nd, and 3rd. Thanks, too. Mrs. Gaydos, Mrs. Goetzman, Mr. Lucas, and Mr. Shenke for preparing these fine teams to win.

The Student Cabinet to the Principal is very concerned about the lack of student participation in in our Spring Sports, baseball, track, tennis, badminton, and softball. There will be many signs encouraging students and faculty to attend these games.

This very humorous and fast-moving show starred: Dave Gustafson, Vince Mulvihill, Tom Coleman, David Range, Julie Albert, Brian Morris, Zoe Rogers, La Florence Carr, and Kim Ballard.

"Oh no!"

"Which way?"

HIGHLIGHT

After an opening loss to Rich Centeral (82-72), the Steelmen came back to defeat H. L. Richards and Blue Island Eisenhower to claim the Consolation Championship of the Eisenhower Tourney. Junior point guard Norman Evans was named to the All-Tournament Team. The Steelmen then went on to defeat Joliet West, Lincolnway and AA. Stagg to improve their record to 5-1 entering the Lemont Christmas Classic. Victories over Chicago Bogan, Romeoville, and Andrew gave the Steelmen the Class AA Championship and the chance to meet Class A power Westmont for the overall title. Led by tournament M.V.P. Matt Miller and all tournament selection Norm Evans, the Steelmen downed Westmont (82-71) to become tourney champs. Defeating Lockport in a 34-32 thriller, the Steelmen moved their record to 10-1, including a winning string of ten straight games. Reavis ended this streak defeating the Steelmen 69-64. The Steelmen finished their regular season with a mark of 20 wins and 5 losses. A word of appreciation is given to the Varsity and Frosh-Soph basketball teams on a Well Done Season!

"LOOK OF LOVE"

"Friends"

The 1983 Valentine's Dance theme, "Look of Love," certainly was appropriate for the occasion.

There are many ways to express "Love" but none so adequately expressed love as the decorative scene in our gym that consisted of pink, red and white streamers to produce a more romantic and cozy effect. Three trees with heart-shaped leaves added a special touch, as well as cupids and hearts adorning the walls to complete the total "Look of Love" scene.

In addition to the visual expressions of love, "Friends" Band auditorially and verbally expressed love by musically entertaining everyone for three hours with their beautiful songs of love.

Pictures were taken in the midst of a forest of heart trees.

Puppy Love

Ms. Thelrose and Mrs. Knight enjoying themselves.

A little friendly get-together.

"What did you do this time?"

"THE LOOK OF LOVE"

Who could smile longest.

12 .....GOOD LUCK - CLASS OF 1983.....

The school year has come to an end and so must the yearbook. I hope that in later years, when we have all made a place for ourselves in this world, we will take the time to look back through the many pages of memories and realize that along with all the hard work put into 1983, there were a lot of good times too.

Tears have been shed during the '83 school year, tears of sadness that the class of '83 is the last to see a graduating class from three campuses. I want to wish the best of luck to those who will be leaving Central and making a new start in a new school. And while you are making your way in a new school, remember the saying, which stands true, "once a Steelman, always a Steelman!"

I would like to say "Thank you" to all those who made this book of memories possible. Thank you:

Mary Kula for helping with the division pages which needed immediate attention; Marcella Ceballos and Jill Watts for typing the many pages; Phil Calcateria for his excellent artwork; deans and secretaries for furnishing information; all the faculty and staff for putting up with the yearbook staff while we were disturbing your classes to take pictures; and of course, Mr. George for guiding us through this very busy year.

P.S. I am sorry for any misspellings which may not have been corrected and also the omission of some names due to the rushed time.

Sincerely yours,

Michael Limon

Yo Felicia: No. 1 Taurus

A good friend who I've known practicly a whole life time. In 6th grade you were a tomboy, in seventh still wild & crazy. In 8th grade you finally start looking like a girl. We must be crazy friends when we both made the same mistake of going with R.M. (you know) I hope we never get separated from each other. Even though we were separated a few times, don't do it again! Sorry my writing is so crooked. You know how us lefties write!

Your Best Friend
Always and Forever.
